**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

My family supports broadband competition and rely on these services so we of course oppose this petition.

In todays world it is very hard for families to survive without all the help we can get! This petition takes away our right to shop around and actually FIND a service we CAN AFFORD and still have a roof over our heads.

We did not have any type of service for YEARS because we could no longer afford AT&T and those like them. This petition would take away our service.

Please think about the little people & do NOT take our affordable services from us, Please!

Thank You,

Terri & Alex Sundberg
